PAPER CEMETRY (IS LA SOMBRA DEL VIENTO)

19.08.2006

-moblog- Probably inspired by reading Carlos Ruiz Zafon "[La Sombra del Viento](#) - Shadow of the Wind - Schatten des Windes" telling about a cemetery of books I wonder whether it would make sense to have also a cemetery of rejected papers. Would that be useful to have an [arXiv.org](#)-like access to papers that will otherwise be forgotten? Yea, yea.
