# BLOG TOGETHER

18.11.2006

Just read the entry of Janet D. Stemwedel about the [2007 North Carolina Science Blogging Conference](#), a “free, open and public event for scientists, educators, students, journalists, bloggers and anyone interested in discussing science communication, education and literacy on the Web.” Do not miss her tag “Shameless self-promotion” ;-). Three editors from The Lancet will take up to 49 registrants. Who can give me a free ride from Munich (bonus miles welcome)?
