

JOKE

ON THE LIMITS OF SCIENCE

14.11.2006

Have you ever heard of the [Wikipedia Knowledge Dump](#)? With the headline “WikiDumper: The Official Appreciation Page for the Best of the Wikipedia Rejects. One manâ€™s trash is another manâ€™s treasureâ€ Dr. Cliff Pickover collects the best entries. For example you can read about the *Beard Theorem* that suggests that the size of one’s beard has a direct correlation to the radicality of a person’s socialist views. The site is as good as the [lg Noble](#), yea, yea.
