Have you ever heard of the <u>Wikipedia Knowledge Dump</u>? With the headline "WikiDumper: The Official Appreciation Page for the Best of the Wikipedia Rejects. One manâ \in ** s trash is another manâ \in ** s treasureâ \in Dr. Cliff Pickover collects the best entries. For example you can read about the *Beard Theorem* that suggests that the size of one's beard has a direct correlation to the radicality of a person's socialist views. The site is as good as the <u>lg</u> Noble, yea, yea.
