which is even true for negative knowledge, e.g. the knowledge there is no association between factor x and factor y under condition z. As we all know this is being difficult to publish - [Technology Review](#) offers some relief:

• Journal of Negative Results “ Ecology and Evolutionary Biology” (JNR-EEB)

• Journal of Negative Observations in Genetic Oncology

• Journal of Interesting Negative Results in Natural Language Processing and Machine Learning

• Journal of Articles in Support of the Null Hypothesis

• Journal of Negative Results in Biomedicine

• Forum for Negative Results (FNR) inside of Journal of Universal Computer Science
