MORE BLOGGING CONFERENCES

12.04.2007

We also have some local events here. Following the <u>wizards-of-os</u> last September (and the famous "I have been building a meme about read-write vs. read-only society" by Lawrence Lessing) the <u>re-publica</u> conference takes place in Berlin – culture / society / technical / business / other – but no science as far as I can see.
