

ALLERGY

ALLERGY SCHOOL

29.05.2008

Here is the announcement of an allergy meeting in London (where I will be too :-).

The poster features a dark blue background with a white and yellow curved graphic element. At the top left, the GALEN logo is displayed with the tagline 'Network of Excellence'. To its right is the EAACI logo, which includes a globe icon and the text 'EAACI European Academy of Allergy and Clinical Immunology'. The main title 'ALLERGY SCHOOLS' is written in large, white, serif capital letters. Below the title, a photograph of the London Eye is shown against a clear blue sky. The text '25-28 November 2008, Imperial College London, England' is centered in white. Below that, the title 'The Epidemiology of Allergy and Respiratory Disease' is written in a larger, bold, blue font. In the bottom left corner, white text provides information about a preliminary programme online, with the websites 'www.ga2len.net' and 'www.eaaci.net'. In the bottom right corner, a dark blue oval contains the word 'CONTACT:' in yellow, followed by 'Heather Williams' and 'office@ga2len.net' in white.
