# FACTORY SCIENCE

11.03.2009

There seems to be a [GWAS repository](#) that has an entry of an asthma study otherwise not known in the biomedical literature and - as see on the screenshot -results tables are empty.

We have started the field of asthma genetics of [science with no science behind](#), made our way with [many poor](#) factory science studies, but this seems an all-time height, yea, yea.
