# SCIENCE FLIES

21.05.2009

Still in the spirit of the last few posts, here comes something exciting: [sciflies.org](http://sciflies.org) aims at

We look forward to receiving your application for funding of initial proof-of-concept STEM research projects in the range of \$5,000 to \$12,000. To participate in this unique online grassroots-funded opportunity, please complete the questionnaire about your project, including details of its possible outcome/impact and profiles of the researchers or research team.

but, sorry, I have to warn you - the website does NOT save your project - it took me 20 minutes to figure that out.
