

GENETICS

THERE IS SOMETHING WRONG IN THIS WORLD

22.01.2010

or should I write “there is no absolute barrier between good and evil”?

One has to realize that thereâ€™s no absolute barrier between good and evil. There’s no absolute polarization between the wonderfully good and the horribly evil, and that people who see themselves as trying to do good can inadvertently enter into evil.

I had the opportunity yesterday to watch a documentation about the [Lifton](#) interviews of the Nazi doctors by [Wolfgang Richter](#) “Wenn Ärzte töten” (
