# DIE VERFERTIGUNG DER GEDANKEN BEIM SPRECHEN

1.10.2010

is a quote from the Enzensberger interview in ZEIT Magazin Nr. 33 (12.8.2010). Teaching students means even teaching yourself -as thoughts are being built during speaking.

The quote seems to go back to Kleist "[Über die allmähliche Verfertigung der Gedanken beim Reden](#)" who recommended discussing difficult problems with colleagues. Unfortunately scientific congresses like the one that I attended recently include only some pseudo discussions at the end of talks - cut and dried opinions of self important persons.
