GOD IS IN THE HOUSE

6.03.2011

Last Sunday night, I heard an interesting [broadcast at Ö1](#) on the way back from St. Moritz “Nach dem Willen Gottes. Religion, Erziehung und Gewalt. Gestaltung: Sebastian Fleischer” while couldn’t find the song played during the last 30 seconds.

Finally, here is it, although the Nick Cave version on youtube is still another one than at the Ö1 broadcast. An email clarified it:

Here is the most frequently accessed youtube version:

An another one by Camille O’Sullivan

And here are the lyrics:

“God Is In The House”

We’ve laid the cables and the wires

We’ve split the wood and stoked

the fires

We've lit our town so there is no
Place for crime to hide
Our little church is painted white
And in the safety of the night
We all go quiet as a mouse
For the word is out
God is in the house
God is in the house
God is in the house
No cause for worry now
God is in the house
Moral sneaks in the White House
Computer geeks in the school house
Drug freaks in the crack house
We don't have that stuff here
We have a tiny little Force
But we need them of course
For the kittens in the trees
And at night we are on our knees
As quiet as a mouse
For God is in the house
God is in the house
God is in the house
And no one's left in doubt
God is in the house
Homos roaming the streets in packs
Queer bashers with tyre-jacks
Lesbian counter-attacks
That stuff is for the big cities
Our town is very pretty
We have a pretty little square
We have a woman for a mayor
Our policy is firm but fair
Now that God is in the house
God is in the house
God is in the house
Any day now He'll come out
God is in the house
Well-meaning little therapists
Goose-stepping twelve-stepping Tetotalitarianists
The tipsy, the reeling and the drop down pissed

We got no time for that stuff here
Zero crime and no fear
We've bred all our kittens white
So you can see them in the night
And at night we're on our knees
As quiet as a mouse
Since the word got out
From the North down to the South
For no-one's left in doubt
There's no fear about
If we all hold hands and very quietly shout
Hallelujah
God is in the house
God is in the house
Oh I wish He would come out
God is in the house
