A FUTURE PREDICTING METRICS FOR SCIENTISTS?

22.09.2012

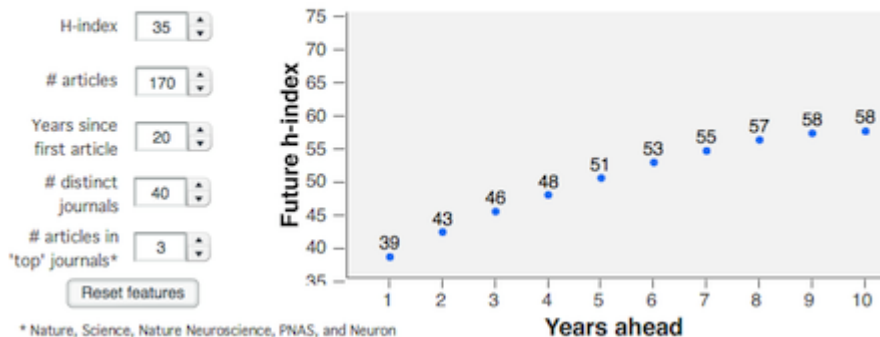

Found an interesting comment in Nature Sept, 13, p177

All existing metrics capture only what a scientist has done, not what he or she would be able capable to.

I am not sure, if the "[future h-index](#)" by Allesina and Kording, will really change that. It just predicts that my curve will only flatten just when I am retiring ;-)

H-index prediction
