ON BULLSHIT

20.07.2018

The famous book "[On Bullshit](#)" of the [American philosopher Harry Frankfurt](#) has now been extended. Frankfurt originally described the relationship of spoken words and truth as being completely independent.

[As I learned](#) now, Jim Holt's "When Einstein Walked with Gödel" now updated the "On Bullshit" chapter on the administration of president George W. Bush with a depressing reference to Donald Trump.

9/6/20

The ultimate reference, however, will be coming August 4th, 2020: Calling Bullshit: The Art of Skepticism in a Data-Driven World, by Carl Bergstrom and Jevin West.
