28.11.2018

This short script is quite useful for DSGVO complaint, aeh compliant websites. Just put a grey picture in */images/externalcontent.png* or wherever you want

*/images/externalcontent.png*

and insert a short script in the wordpress header.

```
function showyou() {
  $('iframe[name*=".com"]').each(function(e) {
    var src=$(this).attr('name');
    $(this).attr('src',src);
    $(this).show();
  });
}
$(document).ready(function(){
  $('iframe[src*=".com"]').each(function(e) {
    var src=$(this).attr('src');
    $(this).attr('name',src );
    $(this).attr('src','');
    $(this).after('
');
    $(this).hide();
  });
});
```
