ASTHMA GENETICS: BIGGER IS NOT BETTER

27.06.2019

[20 years ago with limited funds](#) we published hits on chromosome 2, 6, 9 and 12.

[Yesterday I have seen](#) this plot. The lower part is adult asthma: hits on chromosome 2, 6, 9, 10, 12.

We needed N=415, the plot below needed N=500,000 individuals.
