

NOTEWORTHY

CORONA AND VITAMIN D – ASTROTURF

18.04.2020

Vitamin D is a remedy for everything, at least for some people. Right now, there are now already 44 papers that describe an association to corona infection. I have read only a few of them – 100% astroturf.

Publication Date	Journal Name	Publication Types	Author Affiliation
2020-04-16	Aliment. Pharmacol. Ther.	Preprint	Huazhong University of Science and Technology
2020-04-15	Ir Med J	Journal Article	Tongji Medical College
2020-04-14	Cell Discov	Letter	University of California, San Diego
2020-04-13	Clin. Infect. Dis.	Review	Wuhan University
