SCIENTIFIC DISCIPLINE CONTROVERSIES

12.07.2021

Are there any? Sure, a recent Twitter thread asked for it

A screenshot of a Twitter post by Kareem Carr (@kareem_carr). The post is a text-based tweet asking for academic rivalries. The text of the tweet is: "I want to create an infographic of academic rivalries. Which other field annoys people in your academic field the most? The format for the answers should be your field followed by your candidate annoying field. I'll go first." Below the text, the user has responded with "statistics: machine learning". The tweet is dated 6:03 PM · Jul 9, 2021 and has 485 likes and 186 replies. The interface includes a profile picture, a blue verified badge, and icons for retweets, replies, and a link to copy the tweet.
