Nature journals reveal terms of landmark open-access option

The journals will charge authors up to €9,500 to make research papers free to read, in a long-awaited alternative to subscription-only publishing.

although there is a surplus of 6000€ for the science writer at fiverr and another 50,000€ lab funding to one of the numerous “science charities” and “patient alliances”.

Explore Other Gigs In "Scientific Writing"

The image shows a grid of Fiverr gig listings for scientific writing. Each listing includes a profile picture, a cover image, the seller's name and level, a brief description of the service, a star rating, and the price in Euros. The gigs are arranged in a grid with four columns and three rows. The first row contains four gigs, the second row contains four gigs, the third row contains four gigs, and the fourth row contains four gigs. The Fiverr logo is visible in the bottom right corner of the grid.

| Seller | Level | Service Description | Rating | Price (€) |
