# PUBPEER STATISTICS

23.04.2022

For a forthcoming article, I need some statistics to illustrate how PubPeer performs. AFAIK know there is only [one report from 2021](#) so I had to try something by my own.

---

*PubPeer submissions until 23 April 2022*

Numbers have been doubling last summer with on average of 50 submissions now every day.

*PubPeer submissions until 23 April 2022*

There is a peak mid week that I cannot explain...

*PubPeer submissions until 23 April 2022*

Clearly a peak around noon and in the evening hours whatever that means.
