

ALLERGY, GENETICS

THE LANCET AND SCIENTIFIC INTEGRITY

21.04.2022

We have learned in the past that [the Lancet published editorials](#) that clearly separated the journal from the publisher Elsevier

Reed Elsevier's response is that the sale of military equipment is legal, government supported, and tightly regulated. However, The Lancet's collaborations in child survival and health-systems strengthening, for example, risk being tainted by Reed Elsevier's promotion of the "selling process" of arms.

Of course you can't sell weapons and distance yourself from selling weapons at the same time...
