The Plan S open-access initiative has announced its support for newly emerging ways of producing research papers, in which peer review takes place independently from publication in journals or on platforms.

[plan S](#) is widely known for their last major announcement

on September 12, 2018, UBS confirmed a sell rating for shares in Elsevier (RELX). Elsevier stock lost 13% between August 28 and September 19, 2018 alone

so hopefully the stock market will respond again by selling out [Elsevier](#).
