JACI – RETRACTIONS OVERDUE

1.08.2022

JACI is the journal with the poorest experience that I ever encountered as an author and as a reviewer. The editors never adequately responded to [numerous errors](#) in an earlier paper where I sent a long letter describing all details.

And it is a nightmare – [even now with more than 100 corrigenda](#) in this journal – as the editorial office even modified [correctly submitted images](#). Yes, the JACI editor published also [falsified data](#).

Only recently I also found another strange [retraction note](#)

The Publisher regrets that this article is an accidental duplication of an article that has already been published in J Allergy Clin Immunol

Erratum in

J Allergy Clin Immunol. 2014 May;133(5):1502. abstract no. AB67 only

while the link of this retraction note goes to <https://pubmed.ncbi.nlm.nih.gov/24892183>

which is, however, a different paper.

It seem that the journal already lost the overview...
