## REPLACING ACADEMIC JOURNALS

21.07.2023

Brembs B et al. 2023 / Replacing academic journals. R. Soc. Open Sci. 10: 230206

After three decades of deterioration, more and more experts consider the scholarly journal system fundamentally broken ... [A new system needs to replace traditional journals with a decentralized, resilient, evolvable network that is interconnected by open standards and open-source norms under the governance of the scholarly community

yea, yea.
