

NOTEWORTHY

HOW TO BUILD A SUSTAINABLE SCIENCE SYSTEM

11.01.2024

Here is an interesting proposal of a bug bounty program

Xufang Bai, MD, PhD @xufangbai · Dec 23

To build a sustainable system, how about this idea? After retraction, the journal transfer the publication fee to the whist-blower. Since there is no government allocations to diligent sleuths and donations are elusive. We need a matter of expediency. The reasons are,
