[Open is not forever: a study of vanished open access journals.](#)

JASIST 2021;72:1099-1112

The preservation of the scholarly record has been a point of concern since the beginning of knowledge production. ... We found 174 OA journals that, through lack of comprehensive and open archives, vanished from the web between 2000 and 2019

[Zenodo](#) has the full dataset
