

JOKE

# A PREECLAMPSIA CASE CONTROL STUDY THAT INCLUDES MALES?

9.08.2024

NCBI record <https://clinicaltrials.gov/study/NCT02020174> doesn't make so much sense to me

## Participation Criteria

Researchers look for people who fit a certain description, called [eligibility criteria](#). Some examples of these criteria are a person's general health condition or prior treatments.

For general information about clinical research, read [Learn About Studies](#).

Eligibility Criteria	
Description	Ages Eligible for Study <a href="#">•</a>
Inclusion Criteria:	13 Years and older (Child, Adult, Older Adult )
<ul style="list-style-type: none"><li>• Women who were medically diagnosed with preeclampsia or a related hypertensive disorder of pregnancy (HDP) such as eclampsia or HELLP syndrome.</li><li>• Female or Male relatives of affected women</li><li>• Women who have never had preeclampsia or hypertensive disorders of pregnancy, but who would like to serve as "controls" in research studies of preeclampsia.</li><li>• An authorized representative may complete the questionnaire and provide consent for a woman who had preeclampsia, but has died or is disabled as a result.</li></ul>	Sexes Eligible for Study <a href="#">•</a>
	All
	Accepts Healthy Volunteers <a href="#">•</a>
	Yes
