

JOKE

A PREECLAMPSIA CASE CONTROL STUDY THAT INCLUDES MALES?

9.08.2024

NCBI record <https://clinicaltrials.gov/study/NCT02020174> doesn't make so much sense to me

Participation Criteria

Researchers look for people who fit a certain description, called [eligibility criteria](#). Some examples of these criteria are a person's general health condition or prior treatments.

For general information about clinical research, read [Learn About Studies](#).

Eligibility Criteria	
Description	Ages Eligible for Study ⓘ
Inclusion Criteria: <ul style="list-style-type: none">• Women who were medically diagnosed with preeclampsia or a related hypertensive disorder of pregnancy (HDP) such as eclampsia or HELLP syndrome.• Female or Male relatives of affected women• Women who have never had preeclampsia or hypertensive disorders of pregnancy, but who would like to serve as "controls" in research studies of preeclampsia.• An authorized representative may complete the questionnaire and provide consent for a woman who had preeclampsia, but has died or is disabled as a result.	13 Years and older (Child, Adult, Older Adult)
Exclusion Criteria: <ul style="list-style-type: none">• Those unable to provide consent• Prisoners• Individuals unable to speak English	Sexes Eligible for Study ⓘ
