## **GERMAN SCIENCE MINISTERS**

22.04.2025

Just some context for non-German readers ...

The last science ministry here Bettina Stark-Watzinger was preparing a list whether they could strip funding from academics who had <u>supported a pro-Palestinian protest camp</u> in Berlin. Here are the links

Unfortunately, even after premature termination of her position, 82% of German scientists still <u>have only short-term contracts</u>.

The incoming new minister Dorothee Bär had doubts on man-made climate change and believes in technology neutrality as we have "nuclear fusion and alike".
